OPEN ROLE · KEEMAKR AI

Accountant

Mumbai (Andheri East), Full-Time **Rs.50,000/month** **2+ yrs experience**

SUMMARY

Own day-to-day accounting for a fast-growing AI company with multi-entity, multi-currency operations across India and international markets.

ABOUT THE ROLE

KeeMakr is a fast-growing AI company serving clients across North America, Europe, and India. We operate at pace with multiple entities and currencies. This role offers ownership of the entire accounting function with direct impact on company operations. You'll work independently, ensuring books stay clean, compliance stays tight, and leadership has clear financial visibility.

WHAT YOU'LL NEED

- B.Com or equivalent with 2-4 years of accounting experience
- Strong knowledge of GST, TDS, and Indian accounting standards
- Proficiency in Tally ERP, Zoho Books, or QuickBooks
- Excel proficiency including pivot tables and VLOOKUP
- Experience with bank reconciliations and vendor management
- Ability to work independently with minimal supervision

NICE TO HAVE

- CA Inter or pursuing CA/CMA
- Experience with international invoicing and forex
- Exposure to startup or tech company accounting
- Familiarity with payroll processing

THE STACK

Tally ERP · Zoho Books · QuickBooks · Excel
